

**WARM WELCOME TO LAND
OF ODISHA**

ANNUAL REPORT OF JMJ HOSPITAL SAMBALPUR 2013

JMJ GENERAL HOSPITAL

INTRODUCTION

JMJ hospital has emerged as one of the best hospital in sambalpur district in the state of Odisha, In the year 1995, by the sisters of Jesus Mary and Joseph.

The society of jmj is rendering the service in different places and in various apostolates. Especially to the poor, sick and needy. Considering the need of the people in sambalpur diocese, the society of jmj started the health apostolate with complete service to the people and total commitment to God.

VISION

The restoration of the total fullness of life through health and healing ministry.

MISSION

To bear witness to Christ's compassionate love with a sensitive heart and render selfless, efficient and comprehensive care to the needy and the poor among the sick.

OUR MOTTO

Love, joy & service.

FOCUS

JMJ as non profit organization visualizes commitment to health, healing and wholeness, strengthening community health programmes to reach the vulnerable with competent, compassionate and ethical value.

JMJ also envisages addressing social issues through grass root projects implemented through Govt and Non-Govt organization in order to advocate a just on health society.
