Social Awareness Programme 2018

Personal hygiene can be defined as an act of maintaining **cleanliness** and grooming of the external body. Maintaining good **personal hygiene** consists of bathing, washing your hands, brushing teeth and sporting clean clothing. Additionally, it is also about making safe and **hygienic** decisions when you are around others.

On day 29 January Thursday, 2019 we have planned to conduct an awareness programme on personal hygiene to the community people living near JMJ Convent.

We had a chief guest, who is working as an **asst. professor Mrs. Dhanalakshmi, Dept. of Biology, in Sri. Jayendra Matriculation Hr. Sec. School, Trichy.**

On fine afternoon the programme has started. Introduction was given by Ms. Jasmine Fathima, MSW Bishop Heber College, Trichy. Welcome speech was given by Rev. Sr. Sahaya Mary. Then Ms. Jasmine Honored the Chief Guest, Sisters with shawl & Memento, Gifts with Teaching & Non Teaching Staffs'.

Felicitation was given by Ms. Jasmine Fathima and handover the session to the chief guest. She took the session about 1 hour about the cleanliness, Food habit & personal hygiene for parents and children.

Also we had an interactive session with the chief guest. Next our Disabled children exposed their talent by singing song about the cleanliness.

Distributed sweets for the participated children and parents. Then Sr. Sarita gave vote of thanks to who all gathered in the Programme.

Atlast Ms. Jasmine gave her gratitude with professional for each and everyone who all helped to arrange the programme.

Group Activity

Group exercises examine how individuals respond in a **group** and/or problem-solving situation. Usually a **group** would consist of 6 - 8 candidates and a number of assessors would observe from a distance. The following are some of the skills that are being assessed

The aims of working in small groups include the development of: intellectual understanding, abilities and skills. Communication, cooperative and teamwork skills such as **planning**, management, **leadership** and peer support. Personal growth (increased self esteem and self confidence)

On 7th March, 2019, Thursday we had a small group activity session to encourage the children. In that activity we have included the Disabled children along with the JMJ Kids Zone, Preschool children.

We had 3 activities namely 1. Blind Fold 2. Dumb Charades, 3. Building Pyramids. First we conducted Blind fold in that 10 children participated, they have to identify the things which they took in the basket.

Next in the second activity, based on action called dumb Charades. Ms jasmine acted and the children found the words about action.

Third Activity based on Ability on the children, they have to build a pyramid using the paper cups in time basis to calculate their motor skills level.

Ended the day with support of the almighty and completed the day with energy and potential.

CBR Toolkit Programme

The program **we ring the bell** for special children is conducted to the parents of the disabled children & JMJ kids zone children and also their parents. In order to help them out from their problems, and to improve their children.
